On 10-23-13, I (Asst Chief T.J. Burns) was asked to review dash cam footage of Patrolman Shull's pursuit incident on 10-21-23. After watching the dash cam footage from Shull's patrol unit on that night, I noted no policies that are set forth by our department were violated.

On 10-23-23, I (Sgt. Eddie P. Weems) viewed the dash cam video footage of the incident on (10-21-23) in reference to the vehicle pursuit of Kyle McMasters. It's my opinion that officer (Chris Shull) did not commit any departmental pursuit policy violations set forth by this agency.
