Narrative - Pigg, Christopher - 2/23/2026 2:26:10 PM (Investigative)

On 02/09/2026, I received an incident summary from a tip that was submitted to the FBI in reference to a complaint with a massage parlor in Jonesboro, Ar. The massage parlor was Tree Massage located at 5510 Southwest DR 6 Jonesboro, AR 72404, and stated the following; Went in for a massage. Massage therapist was not a licensed professional massage therapists and was doing inappropriate work. Could not speak any English. When I contacted the owner who just came back from a vacation in China to inform him and his wife of the situation he was extremely disrespectful and disregarding. His wife texted me offering services so I wouldn't report them. There's something super suspicious about this business and I think this business warrants a dive into the ethics of practice and the possibility of human trafficking.

The email also included attachments of screenshots of the conversation between Witness #1 and the listed business phone of the massage parlor. On 02/22/2026, I spoke with Witness #1 at the Jonesboro Police Department about her experience at the massage parlor. Witness #1 stated that she had previously went to 5510 Southwest DR 6 Jonesboro, AR 72404 for a couples massage with her husband and everything was fine and normal. She stated that it was a woman and a man who gave them a massage. She stated the massage was really good. The second incident she stated that the woman she spoke with did not speak any english. It was not the same person as the first woman. This woman had a weird wig on it was blond with pig tails. Witness #1 got to the room and layed down and was covered with a small blanket. The masseur came in and took the blanket off of her and she was completely exposed. She was trying to ask her to put the blanket back but the woman did not understand english. Witness #1 also stated that there is no way the masseur was licensed or had any training. Witness #1 advised that she is a esthetician which is a skin care specialist and has worked in the industry for for almost 26 years. During this time she was worked in day spas. So Witness #1 was able to observe stuff that seems out of the norm. Witness #1 stated that the masseur kept going in places that were not processional. Witness #1 kept telling her to stop and the masseur kept doing it. The masseur also kept removing the towel. Witness #1 seemed was wondering if there was a video camera in the room and why she would kept removing the towel. Witness #1 stated that the masseur left and came back with hot rocks. Witness #1 did not request the rocks and kept telling the masseur no hot rocks and that the rocks are burning her. The masseur then stated "done" and Witness #1 went to get up. While Witness #1 was trying to get dressed, the masseur opened the door while she was naked. She then closes the door and gets dressed and goes to pay. The masseur then demanded a tip and got upset that Witness #1 did not provided a larger cash tip.

I asked if there was any other employees there and she stated no. That the masseur would leave and go take care of other issues. She stated that it was dark in the building and smelled that cigarette smoke. In the screenshots of the messages between her and a the business phone. Witness #1 asked to talk to Hongling Cai or Jennifer. I asked her why she requested to speak to them and she stated that when she searched for the owner of 5510 Southwest DR 6 Jonesboro, AR 72404 on Google, that is what she found. Whoever she was texting stated that she doens't know who Hongling Cai is. The owner then called her from [redacted]. The female owner that she talked to wanted to help and refund the money. Witness #1 stated that she doesn't want a refund, she just wants to update the owner of the conditions of the massage.

I then asked Witness #1 about the touching in unprofessional places. Witness #1 stated that she kept going in her butt crack and was in inner part of her leg and was touching her labia. She was completely exposed. She stated that the masseur touched her vagina maybe three times. Witness #1 advised that it is normal during a massage to be stretched but the way this masseur did it was completely unprofessional. Witness #1 also advised that while the masseur was massaging the inside of her butt crack she would graze her anus. The masseur did not try to offer any additional illegal

services, but kept asking if Witness #1 is okay. Witness #1 also stated that the owners husband had started talking to her on the phone. She stated that he had a New York accent.

He advised that he did go to the massage parlor that day. He stated that he paid $70 for a massage. He then received a hand job from the girl. He then tipped $100. [redacted].

I was later informed that Witness #2 quit his job.

On 04/28/2026 I seen Witness #2 and asked if he could come to my office. I advised Witness #2 I needed to ask him a question and asked what does he usually do after work. Witness #2 stated that he just goes grocery shopping. I then advised Witness #2 that last Friday I was at La Casada in

Valley View and I thought I seen him. Witness #2 stated that he did not know where I was talking about. I then advised him it was in the shopping complex south of town and there is a Do-Nut shop in the complex. Witness #2 again said he did not know what I was talking about. I then asked him about the Massage Parlor and told him he was not in any trouble. I advised him that one of the things I investigate is Human Trafficking. Witness #2 became very nervous and said that he has been in there but does not know how many times. I then asked Witness #2 if when he gets a massage if sometimes they go too far with him. Witness #2 said sometimes. I then asked if he knew what I was talking about and if he knew what a happy ending was. Witness #2 stated yes and that is what they do. Witness #2 stated that you pay for the massage first then after they tell you about the happy ending and it is one hundred dollars or more. I asked what he meant by more and he stated just depends on what you get. I asked him what he meant if he was talking about by hand, oral, and vaginal and Witness #2 stated yes that there is a charge for each. Witness #2 stated htat he has just received a hand job from them and nothing else.

I asked Witness #2 how he heard about this service and he stated that he really did not know. Witness #1 stated that he has been to the one on [redacted] and thinks it was called [redacted]. Witness #2 stated that he received the same service there also.

I asked Witness #2 about the females and if it was the same one all the time and he stated no, it was always a different person. I asked if he knew how many rooms that were inside and he stated he doesn't remember. I asked who walks him back and he stated that when he walks in someone will come out and walk him back and it is the same person that gives him the massage. Witness #2 said that you pay seventy dollars for the massage and then after they ask if you want more and then charge you accordingly. I asked if they put a condom on him and he stated no he has never gotten anything more that a hand tug. I asked if they speak English and Suspect #1 (Li, Na) stated some more that others. Witness #1 stated that maybe the first couple of times he got a massage they might not have did a happy ending and they would coach him through it and started to offer other services. I asked if they forced him or did they seem pushy and he stated no.

I asked Witness #2 what happens when he finishes, who cleans them up. Witness #2 stated they would use a cleanex and wipe it up and wipe you down with a towel. I asked what did they do with it and he stated he figures they flush it or throw it away. I then explained to him that it would not be something you would expect to see at a massage parlor was a seaman soaked tissue.

Witness #2 stated that the workers look like their thirty or more and they wear like a pencil type skirt.

Narrative - Pigg, Christopher - 6/24/2026 1:07:36 PM (Investigative)

On 06/22/2026, a search warrant was signed for 5510 Southwest DR 6 Jonesboro, AR 72404 and an arrest warrant was issued for Suspect #1 (Li, Na)

On 06/25/2026, we conducted an operation to execute this search and arrest warrant. At approximately 1130 am a male subject entered the massage parlor. At 1155 we executed the search warrant. Arrestee #1 (Li, Na) was standing outside the business talking on the phone. She was placed into custody and her phone was seized and placed in my patrol vehicle. The massage parlor was then cleared. Victim #1 was located inside the business and she was taken to Hope Found to be interviewed. The male subject that had entered the massage parlor was identified as Witness #3. He was found completely naked while getting his massage. He agreed to go to the Jonesboro Police Department for an interview and was transported to JPD. Det. Varner then took pictures of the massage parlor.The doors already had numbers written on them. In room 5, i observed there to be a purse and some documents that have Arrestee #1 (Li, Na) name on it.

From room 5 we seized the following property:
paper documents

cards from blue bag
$100 found in the cabinet
receipts and papers
documents and checkbook
brown box with $80

Room 3 was found to have items with Victim #1. The following was seized

I attempted to talk to Arrestee #1 (Li, Na). We had some translation issues. Once I was able to read Miranda to her, she stated that she wants a lawyer. I then stopped the interview and completed her probable cause paperwork for court. She was charged with promoting prostitution 2nd degree, and criminal use of property. I then transported her to the Craighead County Detention Center.

I then went to Hope Found to see if they need any assistance. I spoke with Sgt Brown and Officer Faith Keleman. They advised that Victim #1 stated that she got to 5510 Southwest DR 6 Jonesboro, AR 72404 on June 11th. Since then she has not been allowed to leave the massage parlor. Narrative - Hampton, Adam - 6/26/2026 6:05:48 AM (Investigative)

On 6-25-2026, Jonesboro Police Department ICAC along with FBI, HSI and Craighead County SO executed a search warrant at 5510 Southwest DR 6 Jonesboro, AR 72404. Once the business was secure and everyone had been detained we made entry into the building. Arrestee #1 (Li, Na) who had already been outside was taken to Jonesboro Police Department for an interview. The other occupants remained in the lobby sitting on the couch. The female was turned over to the advocates for possible assistance. I then walked the male subject to the second room on the right so that he could get his clothes. While he was getting dressed I noticed a phone sitting on a shelf on the wall that he said was not his and it was the other female inside the business. Once he was dressed I walked him to his car so that he could get his wallet and vape. He was then taken to the police department for an interview. We then began searching the business. Detectives were searching a room on the right and had located some documents and money that belonged to Arrestee #1 (Li, Na) and they were photographed and collected. Across the hall was a room that I am assuming belonged to the other female since she had passports and identifications along with other documents in her name. Det. M. McDaniel located a bag that she began searching and located a black and while zipper bag that contained a large sum of money. We also located money in a pink or red zip up pouch. We also located an iPad laying on a desk in there as well. All items were documented and photographed and then collected. We then moved to the back right room which appeared to be an office and laundry room and kitchen. In there was another cell phone and an iPad along with ledgers and address books. All items were documented and collected.

Once the search was completed and all items collected, Det. Varner took the evidence to the police department. I had possession of [ARRESTEE1's phone which was on her person upon contact. Once back at the police department Det. Varner entered all the evidence into the report while I packaged. All the money was counted again by myself and Det. Varner and Evidence Tech. M Sailer. The money was also packaged and turned over to evidence.

Later after Sgt. C. Pigg finished talking to Arrestee #1 (Li, Na) we transported her to CCDC awaiting a probable cause and bond hearing.

Narrative - Pigg, Christopher - 6/26/2026 11:19:12 AM (Investigative)

On 06/26/2026, A warrant for [redacted] gladious apartment [redacted] was signed by Judge Scott Ellington. I went to the apartment and was given a key by management. Upon searching the apartment i found two suitcases. One of the suitcases contained paperwork from Victim #1. It was seized and transported to Hope Found to be given back to Victim #1. The other one did not have any identifying paperwork in it and was left on scene. In the closet I located two debit cards with Arrestee #1 (Li, Na) name on it. They were seized. A copy of the warrant and receipt was left on the kitchen counter. The key was returned to management.

On 6-25-2026 at around 1133 I asked to utilize my training in ALS at the listed location. Upon arrival the scene had been secured by other officers and CSI Varner was the lead processing officer on the case. Upon Varner completing the over all photos of the establishment I began to use the UltraLite ALS and an orange filter to attempt to locate stain patterns that would support the claims of the incident. In the forst room on the left there were two bed and I saw a "princess" kids blanket that was showing to have staining that through my training and test appeared to supportive of the claim in this case. I set my camera on a tripod about 3 feet from the object and placed an orange filter in front of the lens. I turned on the ALS and was able to see bright returns on the item that would indicate that there was semen, vaginal secretion, silava or urine on the item. The settings on the camera to record the stains was ISO 1600 with the F stop at 18 and I held the shutter for 5 seconds while shooting the items in both RAW and jPeg. I then moved to the first room to the right side of the hallway. In this room I used the same process and there was a return on the mattress and on some paper towels that had been thrown in the floor. Officers in charge of the scene had completed their investigation and upon this advisory I stopped the process and let Sgt. Pigg aware of my findings. I then left the scene and had the photos logged and reviewed by Sgt. B. Brown. I did not collect any items at the scene.

On 6/25/2026 I assisted with the serving of a search warrant at 5510 Southwest DR 6 Jonesboro, AR 72404. Arrestee #1 (Li, Na) was taken in custody at the front of the business while I was providing rear security. Once the business was secured by the entry team, I was requested to transport Arrestee #1 (Li, Na) to the Police Station for a recorded interview. Arrestee #1 (Li, Na) was then escorted to an interview room where she was sat awaiting her interview with Sgt. Pigg.

While awaiting Sgt. Piggs arrival I was informed that Witness #3 was being transported to the Police Station to provide a statement, and I was asked to interview him about his interaction at 5510 Southwest DR 6 Jonesboro, AR 72404. Witness #3 was then sat in an interview room while I collected his information. Witness #3 advised me during this time that he had free time waiting on a meeting so he went to get a massage until being shocked by the entry coming in while he was on the massage table Witness #3 stated that he had called a few massage places that required an appointment so he just went to 5510 Southwest DR 6 Jonesboro, AR 72404 as he had seen it before while working at the shopping center it is in. Witness #3 described doing business next door to 5510 Southwest DR 6 Jonesboro, AR 72404 and while he was there approximately 3 months ago he walked in to check prices, but he did not have any services done at that time.

I began the interview by reading Witness #3 his statement of rights form in which he signed acknowledging he wished to speak to me without a lawyer present. Witness #3 was asked what led him to be at 5510 Southwest DR 6 Jonesboro, AR 72404 today and at what time he had called 5510

Southwest DR 6 Jonesboro, AR 72404. Witness #3 stated that he had was not sure what time he called and began looking at his call record and struggled to find the multiple calls he spoke of. I asked about that he had not called it as he could only find one number that he did not recognize and he advised that he was just nervous and had not called them apparently today prior to going to the 5510 Southwest DR 6 Jonesboro, AR 72404. Witness #3 then explained that he was just nervous given what happened at 5510 Southwest DR 6 Jonesboro, AR 72404. I then explained to Witness #3 the circumstances leading to a search warrant being served and asked him about what he knew of why he was being interviewed. Witness #3 stated that he was detained while the entry team was clearing the business, and that he was transported to the Police Station to talk about trafficking.

I explained to Witness #3 that the business that he was at getting a massage was being investigated for possible trafficking. Witness #3 was told the investigation led to knowledge of sexual services being completed on other customers, and I asked about his involvement at the business. Witness #3 clarified that he had been stressed, getting wrote up at work, had his father pass recently, and his wife was currently unemployed. Witness #3 stated that he had down time awaiting an appointment so his boss encouraged him to take the time for himself. Witness #3 stated that he stopped by at 5510 Southwest DR 6 Jonesboro, AR 72404 for a massage as a way to relax, and only was in there about 15 minutes before Police arrived. I asked Witness #1 about any services other than a massage being completed while he was there and he stated no. Witness #3 advised me that once he walked in the lady in the front asked if he wanted a massage. Witness #3 further stated that he was told an hour was $70.00. Witness #3 stated that he then paid the lady in the front, and was escorted to a room to remove his clothes for a massage.

Witness #3 described undressing to his boxers, but feeling a little nervous as there was a window that looked weird to the room making him worried someone was watching him. Witness #3 stated that a different woman then came in the room, gave him his change from buying the hour, and she told him to take his clothes off. Witness #3 advised that the second female did not leave the room and only provided him a small towel to cover up with while he got naked. Witness #3 stated that he then got on the massage bed face down with the towel covering his bottom. Witness #3 advised that he had his neck, shoulders, arms, and back massaged before the female pulled the towel down exposing his butt. Witness #3 described the female as putting oil on his back to further massage he guessed which is why the towel was pulled down, but felt uncomfortable with nothing covering his butt. Witness #3 advised he was in there for approximately 15 minutes at that point when Police served the search warrant and he was afraid to move. Witness #3 described being put in handcuffs while the search continued and he was asked about providing a statement at the station.

I asked Witness #3 if he could provide a description for the two females he came into contact with, but he could only say they both appeared to be in their 60s. Witness #3 described the lobby to match Arrestee #1 (Li, Na) physical characteristics, and then advised the other woman was heavier set. While describing the two females he advised they did not appear to speak good English due to the language barrier. Witness #3 described the lady in the room to use hand gestures for him to removing his boxers, and then again hand gestures to say lay down on table.

I then asked if Witness #3 received any other request for other services from the female or anything else being done. Witness #3 restated that the massage never made it to his legs. Witness #3 advised that he did feel odd that while face down, the female kind of straddled his head as she was leaning over him to apply pressure on his back, but that nothing else happened other than the towel down past his butt. I advised Witness #3 I would step out at that time to speak with the investigator for this search warrant and he said okay.

I was advised that there was other accounts at 5510 Southwest DR 6 Jonesboro, AR 72404 by other persons whom admitted to getting sexual services at 5510 Southwest DR 6 Jonesboro, AR 72404, and that it was possible that Witness #3 could be connected to that type of instances given his being at the business at the time. I was also advised that there was video footage in the business as evidence that would need to be reviewed to determined if Witness #3 had been at 5510 Southwest DR 6 Jonesboro, AR 72404 previously. I was advised that it was believed Witness #3 could potentially know more about the business and to ask further. I then stepped back into the interview room to speak further with Witness #3.

I then confronted Witness #3 with the new knowledge I was provided, and again asked him if he had been at 5510 Southwest DR 6 Jonesboro, AR 72404 before. Witness #3 was informed that in the search at 5510 Southwest DR 6 Jonesboro, AR 72404, video footage was captured in the business, log book documenting services completed, and asked for him to provide his full interaction at 5510 Southwest DR 6 Jonesboro, AR 72404. Witness #3 was notably more nervous, and asked if he was somehow in trouble and recounted his statement of not doing anything other that try to get a normal massage. I told Witness #3 that I wanted to make sure that once a full review of the new found evidence was completed that he would not be discovered as lying about his involvement with illegal services being completed in the business. Witness #3 fully denied doing anything other than what was already stated at 5510 Southwest DR 6 Jonesboro, AR 72404. Witness #3 advised that the only woman that he had ever been with was his wife, and would not have done anything at all to effect that. Witness #3 again denied any type of sexual contact, offered services, or knowledge that they business had any wrong doing inside at time of this conversation. Witness #3 clarified that no sexual favors or offers were made again and that he hoped their was video in the room he was in to support his claim. Witness #3 did become more upset and requested to stop talking if that was okay. I advised I would not ask any more questions and would confirm that no other evidence had been discovered to restrict him from leaving at that time. Once confirmation in that was made I escorted Witness #3 out of the interview room and thanked him for being willing to speak to me about the incident. I told Witness #3 that if further information was needed from him that the investigating detective would reach out to him at that time.

During the massage, while he was laying on his stomach, Arrestee #1 (Li, Na) pulled his shorts down past his butt and was massaging his butt area. He stated that Arrestee #1 (Li, Na) hands went into his groin area and her hands would touch his testicles during this. Later on he rolled to his stomach and Arrestee #1 (Li, Na) was massaging his chest and stomach area. She then run her hands to his penis and grabbed his penis. He declied and continued onto the massage. Arrestee #1 (Li, Na) then pointed at his groin and stated "you happy" while making a hand motion that would reference a hand job. Witness #4 declined and left. He then tipped $20, and Arrestee #1 (Li, Na) seemed upset at him with the tip.

I was contacted by Hope Found and advised that the second suitcase that was located at Arrestee #1 (Li, Na) apartment is also Victim #1. I typed another search warrant and sent it to Judge Ellington. I then went back to 703 Gladiolus apartment F5 and got the other suitcase. I secured it in my patrol car due to no one being at Hope Found at the moment.

I checked the pole camera to see if there is still video for June 11th, the day that Victim #1 stated she was dropped off at the massage parlor. At approximately 1445 an orange jeep backs up to the front door. An asian female gets out of the passenger seat and unloads several bags and suitcases. She then goes inside 5510 Southwest DR 6 Jonesboro, AR 72404.

On 6/25/26 I arrived on scene of 5510 Southwest DR 6 Jonesboro, AR 72404 to assist officers. Upon arrival, the building had been cleared. Arrestee #1 (Li, Na) and Witness #3 had been taken into custody and Victim #1 had been detained. I approached her alongside Hope Found advocate Megan Brown and the translator Associated Person #3 on the phone. Megan Brown began explaining who she was and that we would like to transport her back to the Hope Found office in order to further provide advocacy resources. Megan Brown also rode in the back seat with Victim #1 during

transport to the Hope Found office.

Upon arrival at the office, Victim #1 went with a nurse on scene to be provided medical care. Victim #1 was offered some food, which she declined at the time. Shortly after this, I entered the south west corner office of Hope Found, which had previously been set up for interview. My body camera was set up to view myself, Victim #1 and Megan Brown during the entirety of the interview alongside a plaud sitting near the phone Associated Person #3 was on for translation.

I began my interview by obtaining information regarding Victim #1 background. She advised me that she is from Guilin, China. She has a mother back home who is sick as well as 2 children and speaks to her family using an app called WeChat. Victim #1 advised me that she was actually contacted by a woman from a tourist group about coming to the US. She advised that the woman's name was [redacted] and Victim #1 was brought to Los Angeles(LA), California by plane in 2017. She advised that the plane was a plane with a lot of other people on it, as opposed to a private plane.

Victim #1 advised that she did have a US passport and Visa when entering the US in 2017 and that these documents were at the parlor. I never saw any of these documents as I wasn't the one assisting with the search of 5510 Southwest DR 6 Jonesboro, AR 72404. See other narratives for more on that. Victim #1 did advise that if she goes back to China to see her family, she may not be able to return to the US and has no green card. She also stated that she doesn't tell her family the type of work she is involved in as it is considered shameful in her culture. She advised that she tells her family that she does makeup.

Victim #1 worked at a massage parlor in LA. She advised that the boss at that parlor advised her she wasn't very good at the massages so she needed extra training. Victim #1 stated that she paid $200 to attend training for massages at a hotel where a man and his wife taught them. She told us that while at the hotel, she met a friend that she knew from China who goes by [redacted] After speaking with [redacted], Victim #1 left LA to go work for [redacted] massage parlor somewhere in Oklahoma(OK). Victim #1 stated that a worker at this parlor told her about Arrestee #1 (Li, Na) needing someone at her parlor, 5510 Southwest DR 6 Jonesboro, AR 72404.

From OK Victim #1 traveled to another massage parlor somewhere in Arkansas(AR). Victim #1 couldn't recall the city or the name of the massage parlor but advised that it was approximately 4.5 hours away from 5510 Southwest DR 6 Jonesboro, AR 72404. When she left this massage parlor, she came to work for Arrestee #1 (Li, Na) at 5510 Southwest DR 6 Jonesboro, AR 72404. I was advised Victim #1 has been at 5510 Southwest DR 6 Jonesboro, AR 72404 since 6/11/26. Victim #1 explained that to travel from one parlor to another she has previously used a driving service that posts ads on WeChat. She explained that there are Chinese men that will take you where you need to go, place to place, as a business. I was advised she paid $500 for this service.

Victim #1 also advised that she worked for a massage parlor in Fort Worth, Texas. It is unclear what date Victim #1 was at this parlor.

Victim #1 explained to me what life is like working for Arrestee #1 (Li, Na) at 5510 Southwest DR 6 Jonesboro, AR 72404. Victim #1 is only allowed to keep a portion of the money she makes. She explained that if she makes $70 on a massage, she only gets to keep $30 of it because Arrestee #1 (Li, Na) takes the rest from her. She stated that she will try to push for a more expensive massage

so that she can get to keep more money. If the massage is $80, she gets to keep $40. I was advised that if she does a $120 service she gets $50. I was advised Victim #1 works 0830 hours to 2130 hours every day with no breaks. She advised that she makes approximately $100 per day but she sends some money to her mother back in China. Victim #1 advised that her bank account isn't local but is actually in Seattle. This is odd because when Victim #1 advised of the massage businesses she worked at, none of them are in the Seattle area. She stated that her deceased husband's sister had helped her set it up.

Victim #1 advised that in her experience working at the massage parlors, clients do ask for services such as hand jobs and will offer bigger tips if she is willing to do the sex acts. I was advised that although Victim #1 had just gotten to 5510 Southwest DR 6 Jonesboro, AR 72404, Arrestee #1 (Li, Na) told her sex acts have been done before. Victim #1 advised that Arrestee #1 (Li, Na) told her not to leave 5510 Southwest DR 6 Jonesboro, AR 72404 and blamed her for going outside. Victim #1 advised that she told Arrestee #1 (Li, Na) that she never gets to see the sun but Arrestee #1 (Li, Na) responded by telling her she could stand at the back door. Victim #1 stated that she stays at 5510 Southwest DR 6 Jonesboro, AR 72404. Sometimes Arrestee #1 (Li, Na) will stay the night at 5510 Southwest DR 6 Jonesboro, AR 72404 too but actually has an apartment in Jonesboro. I was advised that at 2130 hours each night, Arrestee #1 (Li, Na) locks Victim #1 inside of the parlor before leaving. Victim #1 advised she will ask Arrestee #1 (Li, Na) to stay with her out of fear of staying alone at 5510 Southwest DR 6 Jonesboro, AR 72404. I was also advised that although Victim #1 is made to stay at 5510 Southwest DR 6 Jonesboro, AR 72404, multiple of her belongings were kept at Arrestee #1 (Li, Na) apartment.

Victim #1 advised that Arrestee #1 (Li, Na) has a temper/can get angry. She stated that in the short time that she had been at the parlor, 6/11/26-6/25/26, Arrestee #1 (Li, Na) had already made threats to Victim #1. At one point Victim #1 had missed 2 calls from a client and this made Arrestee #1 (Li, Na) angry. Victim #1 stated that when Arrestee #1 (Li, Na) gets angry, she threatens to take more money out of Victim #1 paycheck. She advised that she feels like she has to listen to Arrestee #1 (Li, Na) because she's the boss.
