23. STATEMENT

Jonesboro Police Department investigated allegations that Officer Christopher Jefferson was involved in a sexual relationship with a confidential informant of the 2nd Judicial Drug Task Force. Text messages revealed that the two began messaging on February 7, 2025 and were professional until July when Jefferson asks her if she has SnapChat. On August 26, 2025, he told the informant he needed to talk and implied his wife had discovered the Snapchat messages.

He later told the informant he needed to step back and focus on his marriage, with communications continuing into early October 2025. When interviewed in February 2026, he acknowledged that the relationship began professionally, became romantic and sexual, and that they “hooked up” about two times. He was placed on administrative leave on February 10 and resigned from the department on February 12, 2026. This is a violation of Rule CLEST Rule 1034(1)(b)(iii),(iv),(vii), also referenced as 12CAR §1-138(a)(2)(C)(D), (G) and Rule 1020, also referenced as 12CAR §1-124. Jonesboro Police Department recommends decertification.

Incident Summary

On 2/9/2026 I was informed by Chief Rick Elliott that he was having a meeting later in the day with the Poinsett Co. Sheriff and Chief Deputy about some alleged inappropriate behavior by one of our DTF agents. Chief Elliott stated they believed one of our DTF agents was having a sexual relationship with a confidential informant. Chief Elliott stated he wasn't sure which agent was involved. A short time later I was contacted by Captain Bryan Davis who stated he had been made aware that Agent Chris Jefferson may have had an inappropriate relationship with a confidential informant. I opened this professional standards case and I am awaiting further information. This will be forwarded to Captain Bryan Davis for further investigation.

Capt. Scott Baker

On 2/9/26, I was informed by deputies of the Poinsett County Sheriff's Office that they believed Agent Chris Jefferson was involved in a sexual relationship with a confidential informant of the 2nd Judicial Drug Task Force.

Deputy Price advised he had come into contact with a female who has been

identified as a confidential informant. She allowed Deputy Price to screen record digital communications between her and Agent Jefferson including messages and digital images. The messages clearly detail out an ongoing romantic relationship between Agent Jefferson and the CI.

The snapchat communications appear to begin on July 21st, 2025 with the CI sending a photograph of her exposed bare breasts. These communications continue until August 24, 2025 with multiple photographs of the CI in an unclothed state, along with photographs from Agent Jefferson, including pictures of him in his department issued uniform.

The text message thread begins on February 7th, 2025. It appears that the text messages begin in a professional context discussing only narcotics related information up until around July 18th, at which time Agent Jefferson asks the CI if she has a Snapchat. During the conversation, Agent Jefferson reveals to the CI that she lives in close to proximity to other Agents of the Drug Task Force, going as far as telling the CI the name of the streets the Agents live on. On August 26th, Agent Jefferson reaches out to the CI advising that he needed to talk ASAP and implied that his wife found the Snapchat and all the messages. After this the communications become very emotionally charged and lengthy in nature. These continue until the end of September when Agent Jefferson advised that he has to take a step back and focus on his relationship with his wife. The messages continue until around October 7th in the video.

There are indications that Agent Jefferson and the CI also communicated via the TikTok app, but the messages from these conversations are not available.

On 2/9/26, I called Agent Jefferson into a meeting to discuss the events. I asked Agent Jefferson to tell me about his relationship with the CI. He advised that the relationship had started out in a professional manner with her purely working as an informant, but that after she had concluded making controlled purchases, the relationship had become romantic in nature and was sexual in nature. He confirmed that he "hooked" up with her about 2 times during the course of the relationship, but that the two had become very deeply involved emotionally until his wife had found out about the affair and it was ended around October.

Capt. Bryan Davis

I was informed by Capt. Davis that he had received two videos from Poinsett Co. Sheriff's Office officials that detailed an intimate affair between Agent Jefferson and a woman that was a known confidential informant for the 2nd Judicial District Drug Task Force. Capt. Davis advised the videos were from the Chief Deputy's phone where he was recording scrolling through the CI's phone. One video was from a Snapchat feed and one was text messages between the CI and Agent Jefferson. I was unable to view the text video from Blue Team in the .MOV

format in which it was originally attached. The Shapchat video would play however. I received both videos from Capt. Davis and converted them using a VLC player to MP4. When I reattached them to Blue Team they were both able to play.

The Snapchat included conversation and photographs exchanged between Agent Jefferson and the CI. Some photographs show the CI and others show Agent Jefferson in uniform. Some of the photographs of the CI show her partially nude. The texts video is a scrolling of text exchanges between Agent Jefferson and the CI. There were some photos attached in the text feed, but most were files and they were not opened in the video. The text chain starts as a professional conversation consistent with what you would expect between a DTF agent and a CI. It later turns to more personal subject matter and at a point Agent Jefferson advised his wife had became aware of the Snapchat exchanges and he needed to back off. There was mention of a TikTok account, but nothing from that was presented. Agent Jefferson later tells the CI it would best for her to forget about him and move on, then they have discussions about their mutual feelings. Near the end of the exchange the CI informs Agent Jefferson that she is "late" and Agent Jefferson inquires if she has taken "a test" yet a few times.

While waiting on information in this investigation Chief Elliott informed me that he had been made aware that Craighead County Prosecutor Sonia Hagood was going to issue a Giglio letter for Agent Jefferson and they would not be accepting any of his cases or call him to testify. Chief Elliott stated she went on to say they would not. pros. any pending cases where Agent Jefferson was the lead agent. Later I was present for a phone call to Chief Elliott from City Attorney Carol Duncan and Assistant City Attorney Tom Haynes. They both expressed concerns about accepting any cases from Agent Jefferson and indicated he would not be called to testify on any cases in district court either.

Based on information received at this point of the investigation Agent Jefferson was being investigated for violation of the following policies:

Policy 304.08 Code of Conduct, Section V. Paragraph E. which states: "No employee shall establish an inappropriate relationship with any complainant, suspect, witness, defendant, prisoner or other person involved in any police related activity while such a case is being investigated or prosecuted. [2.18]"

Policy 509.02 Drug and Vice Operations, Section VII. Paragraph A. 2. which states: "Officers shall have another officer accompany them and notify a supervisor when meeting with a C.I. of the opposite sex. Officers are prohibited from maintaining a social relationship with a C.I. or former C.I. or otherwise being personally involved with a C.I." This is restated in Policy 523.06 Criminal

Investigations, Section VI, Paragraph A, 2.

On 2/12/2026 at 14:24 I was forwarded an email from Chief Elliott that he received on 2/12/2026 at 13:35 from Agent Jefferson with a resignation letter attached. I attached that letter to this report.

Due to Agent Jefferson's resignation this internal investigation is closed with a finding of Sustained on the policy violations.
